an independent committee of Tennessee ACS members from across the state to lead and advise our efforts, creating the Tennessee Government Affairs Committee (TNGAC). TNGAC works with ACS members across the state to chart an agenda for STEM education reform and to engage with other state education stakeholders such as Chambers of Commerce, business and industry groups, science teacher organizations, and other education constituencies in an effort to provide Tennessee a quality, TECH SAVVY workforce for new and existing jobs.

## **What is the Tennessee Chamber of Commerce Executives? (TCCE)**

TCCE was organized to enhance the professional growth and development of Chamber executives, staff, and volunteers in the State of Tennessee.

## **TCCE works to achieve the following goals and objectives:**

- To foster the professional development of Chamber of Commerce executives and staff.
- To enhance status of Chambers of Commerce in the State and Nation.
- To provide a communication link between Chamber of Commerce staffs in Tennessee.

## **TCCE Programs**

### **Winter Conference**

This conference is designed to educate the executives, staff and volunteer leadership of the member Chambers. Executives are encouraged to bring officers, board members and key volunteers to this conference. Sessions are planned to educate all of their duties and responsibilities in Chamber operations, and innovative and creative programs from other Chambers. This is held in conjunction with the annual legislative reception. This conference has been set for February 25, 2020 in Nashville.

### **Tennessee Chamber of Commerce Institute**

In 2002, TCCE conducted its first Tennessee Institute for Chamber employees on the campus of MTSU. It is designed specifically for Chamber employees to learn the "chamber business" from experienced practitioners of the art. It is designed as a two-year certificate program. Contact Suzie Lusk at 615-256-5141 for more information on the 2020 class, which is set for March 8-10.

### **Annual Leadership Conference**

This meeting held during the summer each year provides an educational opportunity for executives to further upgrade their management and Chamber operation skills. Each year programs are conducted to provide attendees with ideas of current trends in Chamber programming, as well as an opportunity to network with their peers. This conference will be held August 19-21, 2020 in Knoxville, TN.

### **Institute Scholarships**

Each year TCCE provides scholarships to executives as funds are available to the U.S. Chamber of Commerce's Institute for Organizational Management. Scholarships are awarded on the basis of a desire to continue their education, financial need, and participation in TCCE activities. Scholarships are also available for the Tennessee Institute.

# TCCE Mission Statement
