**11:00-11:55am – Time Management**

Most of us, especially post-COVID, are feeling overwhelmed with emails, texts, Zoom calls, and the myriad of other technical items coming our way daily. In this session, learn how to take charge and manage the workload, still get your job done with a sense of accomplishment, and decrease the feelings of overwhelm and mental exhaustion.

*Chris Doyle, Mind Morph*

**Noon – Sessions End – Visit with Sponsors**

**12:10pm – Lunch (included)**

Lunch will be provided at our Venue – After lunch, we will walk to Trenton Teapot Museum (close to our Thursday venue)

Part of the charm of the Trenton Teapot Collection is its small town setting and the obvious pride the city's residents have in their priceless collection of antique teapots. The collection is the basis of an annual week long Teapot Festival each year in May. <https://www.trentontn.net/teapot-museum/>
