# TCCE

## **What is the Tennessee Chamber of Commerce Executives? (TCCE)**

TCCE was organized to enhance the professional growth and development of Chamber executives, staff, and volunteers in the State of Tennessee.

## **TCCE works to achieve the following goals and objectives:**

- To foster the professional development of Chamber of Commerce executives and staff.
- To enhance status of Chambers of Commerce in the State and Nation.
- To provide a communication link between Chamber of Commerce staffs in Tennessee.

## **TCCE 2024 Programs**

### **Winter Conference**

This conference is designed to educate the executives, staff and volunteer leadership of the member Chambers. Executives are encouraged to bring officers, board members and key volunteers to this conference. Sessions are planned to educate all their duties and responsibilities in Chamber operations, and innovative and creative programs from other Chambers. This is held in conjunction with the annual legislative reception. This conference has been set for February 27, 2024 in Nashville.

### **Tennessee Chamber of Commerce Institute**

In 2002, TCCE conducted its first Tennessee Institute for Chamber employees on the campus of MTSU. It is designed specifically for Chamber employees to learn the “chamber business” from experienced practitioners of the art. It is designed as a two-year certificate program. Contact Suzie Lusk at 615-256-5141 for more information on the 2024 class, which is March 3-5, 2024 in Murfreesboro. The 2024 Institute will also offer ICE (Institute Continuing Education) for those who have graduated from TCCE Institute.

### **Annual Leadership Conference**

This meeting held during the summer each year provides an educational opportunity for executives to further upgrade their management and Chamber operation skills. Each year programs are conducted to provide attendees with ideas of current trends in Chamber programming, as well as an opportunity to network with their peers. This conference will be held August 14-16, 2024 in Franklin.

### **Institute Scholarships**

Each year TCCE provides scholarships to executives as funds are available to the U.S. Chamber of Commerce’s Institute for Organizational Management. Scholarships are awarded on the basis of a desire to continue their education, financial need, and participation in TCCE activities. Scholarships are also available for the Tennessee Institute.

### **TCCE Mentorship Program**

The Mentorship Program’s purpose will be to develop Chamber leaders through interaction that fosters encouragement and support for up-and-coming Chamber staffers. The program will be open to all Chamber staff. For additional information contact Suzie Lusk at [suzie.lusk@tnchamber.org](mailto:suzie.lusk@tnchamber.org).

## TCCE MISSION STATEMENT

TCCE is an organization of professionals which promotes the Chamber industry by providing invaluable opportunities to develop skills, gain knowledge, and share information enabling Chamber professionals to promote economic and community development and enhance quality of life throughout the state.

The **Tennessee Chamber of Commerce & Industry** helps coordinate activities for TCCE. If you have questions concerning any TCCE event or activity, or if you have any corrections to this directory please contact us at TCCI, 414 Union Street, Suite 107, Nashville, TN 37219.
